Reform **OHIO** Now

Hold Politicians Accountable

Vote For 4 Reforms

Issue 2: Makes it easier to vote by allowing all Ohioans to vote by mail.

Issue 3: Helps stop the influence of big money in elections by greatly reducing campaign contributions.

Issue 4: Stops the politicians from drawing their own legislative districts and puts an Independent Commission in charge of this process.

Issue 5: Places a bi-partisan Board of Supervisors in charge of Ohio's elections instead of a partisan official who backs candidates and takes sides in elections.
